- c) upon the occurrence of a predetermined triggering event, randomly selecting at least one symbol position as a wild symbol position;
- d) converting each symbol displayed within each selected wild symbol position to a wild symbol; and
- e) determining game outcomes based on the displayed game symbols and wild symbols.

14. The apparatus of claim 13 wherein after step b) and before step d), a game using the randomly selected game symbols on a display is resolved.

15. A method of playing a video wagering game with a bonus feature, comprising:  
a player placing a wager on a reel-slot-type video game having a plurality of symbol positions;  
displaying a plurality of randomly selected game symbols on a display, each symbol appearing in a designated symbol position;  
addressing any winning events by a procedure selected from the group consisting of a) resolving any winning events, b) carrying any winning events forward for later resolving, and c) carrying any winning events forward for modification of the winning event by a bonus play;

upon the occurrence of a predetermined triggering event for a bonus event,  
randomly selecting at least one of said plurality of symbol positions as a wild  
symbol position;

5                    converting each symbol displayed within each selected wild symbol  
position to a wild symbol; and

                  determining a bonus outcome based on the displayed game symbols and  
wild symbols.

10            16.     The method of claim 15 wherein any winning event from displaying a  
plurality of randomly selected game symbols on a display are resolved before  
determining a bonus outcome based on the displayed game symbols and wild symbols.

15            17.     The method of claim 15 wherein any winning event from displaying a  
plurality of randomly selected game symbols on a display are resolved after determining  
a bonus outcome based on the displayed game symbols and wild symbols.

20            18.     The method of claim 15 wherein any winning event from displaying a  
plurality of randomly selected game symbols on a display are resolved at about the same  
time as determining a bonus outcome based on the displayed game symbols and wild  
symbols.

                  19.     The method of claim 1, wherein the maximum number of viewable  
positions is 15.

25            20.     The method of claim 1, wherein an appearance of the wild symbol  
changes to another game symbol at or before game outcomes are determined.

                  21.     The method of claim 1, wherein the wild symbols are wild as to fewer  
than all of the game symbols.
